HUMBERSTON NEWSLETTER

CONSULTATION UPDATE

The Council recently conducted a consultation on the future of the Newsletter, asking residents to feedback on whether they read the Newsletter, whether they wanted it to continue and continue to be delivered door to door and/or whether they would prefer to see it available in shops and other outlets within the Village.

Over 60 households responded and the overwhelming majority of those were in favour of continuing with the Newsletter and continuing to have it delivered to their homes. Therefore the Council has decided to continue with the Newsletter for at least another year and continue to distribute it to every house and business in the village boundary. The Newsletter is of course always available online on our website.

PRIZE DRAW WINNER!!!

The feedbacks, some via the forms from the Newsletter, others emailed and rung in to the Office phone number were all placed into a prize draw for a £20 gift voucher.

We are pleased to announce that Mrs. Reading was our winner and she will be receiving the voucher.

HUMBERSTON VILLAGE COUNCIL— COUNCIL NOTES

The Summer months have seen the Village Council meet during June, July and August at the Paddock Hall in Wendover Paddock on the 1st and 3rd Wednesdays of each month as usual.

Meetings are held at 7.15 pm and residents are welcome to attend.

Highways/Footpaths/Traffic Issues

The Village Council works closely with NELC/ENGIE and has quarterly meetings with them to discuss highways and footpath issues. The Ward Cllrs for Humberston are also very helpful in passing along pot holes and other issues for NELC to repair etc. At the moment the primary concerns continue to be car parking within the village, especially around school parking and this is a longer-term problem being discussed with NELC.

Wendover Hall and Wendover Paddock Hall

The redecoration of the old Hall has now been completed and looks wonderful and light. The toilet facilities have also now all been refurbished and the rear storage room completely renewed with new plaster etc. The works to the Hall have cost over £20,000 and are works which

the Village Council has been saving for over the last couple of years.

Anyone wishing to book the Hall should contact the Clerk, Kathy Peers, on 07494-5776661.

New Council Members

The past two months has seen some major changes on the Council with three members stepping down and one member retiring. There are now two new members, Cllrs. Ali Leveridge and Tracey Duff who were coopted in July. There are a couple of remaining casual vacancies on the Council if any residents are interested.

Planning

The Village Council continues to receive consultation on many planning applications for Humberston and these are discussed at the Village Council main monthly meetings and also at an interim Planning Committee Meeting held mid-way through the month.

Residents are most welcome to attend and make the Village Council aware of any issues with planning. All Planning Agendas and Minutes are all on the Village Council website.

As part of our mid-term plan, NEL is undertaking a review and refurbishment of all fifty-three play areas within the borough. Draft proposals have been received for both Humberston and New Waltham and ward councillors have discussed with both Village Councils.

Parking enforcement continues to be a vexed issue, with many residents calling for more enforcement given the inconsiderate parking of some. Village councils have been asked to nominate hot spots and these will be given priority. The flip-side of this are the complaints that ensue for those who receive a ticket. Park considerately within the law and you should be able to avoid these.

New property development continues to be a hot topic, with several developments with planning permission about to start construction, notably land across from Tollbar Academy and Strawberry Fields (land on the corner of Hewitts Avenue across from Tesco). Ward councillors will keep a close eye on these and try to ensure responsible behaviour by developers.

Anti-social behaviour and low-level drug dealing, whilst at low levels within the ward, continues to rise in some areas, notably the BMX track behind the Pavilion in New Waltham, and playing fields behind St Christopher's in Humberston. Ward councillors have worked with village councils, the police and young offenders' teams to address, and the presence of both has increased to good effect. Whilst many of the perpetrators are "tourists", some children are local, so we say to all parents -do you know where your children are -. Help to reduce this problem.

Ward Councillor Notes

Each time I am tasked with writing the ward councillors notes I make list of issues that need mentioning. For the last two years Covid has been top of the list and whilst that is true at the time of writing I feel able to sound more positive about things. The national vaccination programme has been an amazing success story to the extent that Government has felt able to lift most restrictions, and we can begin to think about living a normal life again.

Given the dour predictions made as we approached the lifting of restrictions, I am sure that all of the experts have been surprised by the fall in infection rates, against all predictions. These same experts are now rushing to justify why they always thought a reduction was likely. Really!

This demonstrates how difficult it is to be certain about anything relating to Covid 19 trends, so caution is probably the best option in the short term.

Indeed, despite the lower infection rates nationally the virus is still present in high numbers in North East Lincolnshire. Those who have yet to be vaccinated are urged to step forward and help to protect the whole community. Also whilst not mandatory, I for one will continue to wear a mask in shops or in any enclosed indoor area.

Finally, the so called Pingdemic has had a significant impact on North East Lincolnshire services with almost 25% of front-line staff self-isolating over recent weeks. Despite this, services have continued to be delivered at a high level, although it is inevitable that there have been some delays in some collections and grass cutting. Residents are asked to be patient and continue to report when collections are missed. The front-line staff will catch up, and we must all pay tribute to their persistence in difficult circumstances.

Anyway, on to other issues of interest within the ward and North East Lincolnshire generally.

Parish Council notes continued....

Finance

The Village Council has submitted all the necessary paperwork to the external auditors and now awaits any further actions. All information is published on the website at www.humberstonvillagecouncil.com

Land Management

The Village Council continues to look after its sites and now has a Land Management Committee which conducts regular site visits and can respond to minor issues as they arise.

Works have been undertaken to improve the entrance to the PROW off Humberston Avenue with new fencing and removal of old barbed wire fencing which the Council inherited when it took on the site.

Also further grass cutting is now being undertaken after requests from residents and tree planting and further fencing works are set to take place in the Autumn.

Next Meetings

Main meetings of the Council are always held on the first and third calendar Wednesday of each month at 7.15 pm.

Next Scheduled Meetings are:

Wednesday 1st September 2021

Wednesday 15th September 2021

Wednesday 6th October 2021

Wednesday 20th October 2021

Wednesday 3rd November 2021

Wednesday 17th November 2021

All meetings start at 7.15 pm and are held at the Paddock Hall, Wendover Paddock, Humberston

THE AGENDA FOR EACH MEETING IS PUBLISHED APPROXIMATELY ONE WEEK BEFORE AND IS ALWAYS AVAILABLE ON THE VILLAGE COUNCIL WEBSITE

Residents and visitors are warmly welcomed at our meetings and there is a 'public session' held at the Chairman's discretion, for members of the public to be able to speak on issues before the Council.

St.Peter's Parish Church, Humberston

Greetings from St Peter's Church

Things at the Church are now nearly back to normal, although we are still being a little cautious and still asking people to wear masks during services, if they can, and still sanitising their hands before entering the Church and maintaining social distancing to keep everyone as safe as possible as the Covid 19 rates are still high at the moment. I think everyone is missing our hymn singing but we are hoping to resume this in September all being well. Meanwhile we can listen to the beautiful organ music during our services. You do not need to book a place for Sunday services now so if you would like to come along to our Eucharist services on the 2nd and 4th Sundays in the month at 11am, we would love to see you and you will be made very welcome.

After all the trials and tribulations over the past 18 months it is Love that has helped many of us get through. The following is a beautiful piece of scripture:

1 Corinthians 13:4-8

Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It is not rude, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres. Love never fails.

Since the easing of the lockdown St Peter's have been able to now restart their maintenance of both the Church, churchyard and the church green. Financially the Church relies solely on monies received from our congregation and fund-raising which during the last 18 months has been non-existent. We have been able to renew the church fence and complete the planting of the flower beds on the church green and would like to thank those who kindly donated monies to enable us to do this.

Our gardener is gradually cutting back the growth from the trees in the churchyard. On Saturday 11th September we would welcome anyone who would like to help us with our outside maintenance between 9am and 12 noon, refreshments will be provided.

HUMBERSTON SCHOOL HOLIDAY CLUBS

These ran all through the Summer holidays, every Friday morning and were free for youngsters to attend. A big thank you to Premier Education who provided the service for us and to all the youngsters and parents who turned up to join in!

The weather improved as we went along and everyone enjoyed the refreshments, especially the home-made cakes, provided by the Village Councillors themselves.

This was a trial scheme, paid for by the Village Council and provided for local youngsters. Feedback has been excellent and the Council will consider doing this again next year and perhaps also for the Easter holiday break.

A BIG THANK YOU TO THE COOP IN NEW WALTHAM FOR GIVING US FRUIT FOR FREE FOR OUR HOLIDAY CLUBS !!!!! Thank You!!!

HUMBERSTON CENTENARY CELEBRATION DAY

The Village Council will be holding a special day event in 2022 to mark the 100th anniversary of the Village Council. 2022 is its centenary year.

The event will be a lovely summer event for all residents and further details will follow in the next few Newsletters, via FB and Instagram

VILLAGE HALL NEWS!!!!

Over the Summer months Wendover Hall has seen a complete refurbishment with the premises decorated right through, top to bottom. Then the toilets were refurbished for us with new cubicles, sanitary ware, vanity units and new wall boards to replace the old tiles and new flooring throughout. The Hall looks super!

A big thank you to Barrie Marsh Decorators who did their usual super job and also Wilton Studios who refitted the toilet facilities for us. Both jobs came in on time and the Council is thrilled with the results.

Guiding in Humberston

Come September Rainbows, Brownies and Guides will be fully recommencing their weekly face-to-face meetings and welcoming new girls. Although the rainbow meetings have not yet re-started the brownies and guides endeavoured to meet last term and the brownies over the summer with girls already registered with them. A smaller number of girls meant the leaders and girls had time to adjust.

The brownies are currently working on the North East England 50th Birthday Challenge which is seeing them learn about different counties within our region. Hobby horses have been made, nicknames of football clubs googled (or dad's), tasting of edible coal along with rock painting to name a few. The guides have enjoyed activities outside in our new venue at the Paddock Hall. After over a year meeting on zoom we worked on our fire lighting, cooking, archery and sandcastle building skills.

As we endeavour to return to life after lockdown and resume our weekly meetings guiding is available and able to take on new young members and volunteers. We are especially looking for volunteers to run our weekly rainbow unit. Maybe you are looking for a new challenge or just to try something different. Our Rainbow, Brownie and Guide units have programmes full of lots of different types of activities and are fun for both the young and old. There are places for girls and young women aged 5-14 and we are always looking for new adult volunteers to expand our leadership teams.

So why not try a new, fun packed adventure?

For more information or to register your interest go to www.girlguiding.org.uk or contact Theresa Barker on 01472 879928.

Humberston Centenary Green Project

Next year, 2022, sees 100 years of the Village Council and the Council is organising ways of marking this wonderful Centenary for the Village.

One of the projects it had in mind was to create a 'centenary green' for the village to create a nice green area, perhaps with the siting of a flag pole and a village notice board along with some seats and planting. Somewhere for residents to sit and take a moment to enjoy some peaceful surroundings.

The Council's initial idea was to ask the Church if the Council could take over, perhaps by renting, part of the green in front of the Church where the flower beds currently are. Recently the Council had assisted the Church in the planting up and improving of the flower beds. However, unfortunately the Church congregation has said it doesn't wish to support this idea and so the Council has now considered alternative sites for this project.

We have now approached North East Lincs Council about a site which would make an excellent centenary green and we have now held a site visit with Officers who at this initial stage have no objections. Now we need to formally ask North East Lincs if we can 'adopt' the area and use it for the green project.

Further updates will be in the next Newsletter and also on our social media pages and on our website.

Allotment News

The Village Council held its annual Allotment Competition and the winners were presented with their trophies and gift vouchers at a presentation held on the allotments on Saturday 14th August 2021.

ALZHEIMER'S MEMORY WALK 2021

The Village Council has registered to take part in this year's Alzheimers Memory Walk to raise money for the work this hugely important charity does within our communities.

There will be 2 walks— a 1 mile walk for our younger participants and those less able—that will be around Wendover Paddock.

The second walk is a 4 mile walk and this will follow a specific route, starting out at Wendover Paddock and then finishing up back at the Paddock for refreshments.

SUNDAY 19TH SEPTEMBER 2021
STARTING AT 11.00 AM

Pre-registration for this event is required so we know what numbers we have taking part—to register for either the 1 mile or the 4 mile walk and help us to fundraise, email us at clerk@humberstonvillagecouncil.com and we will send you out a pack with all the information you need. Or call 07494 577661.

We do hope as many of you as possible can support this fund-raising event. Do come along as a family and take part in one of the walks with us. There will be refreshments at the finish for all those taking part.

Please support us on our just giving page.....

WENDOVER PADDOCK NEWS!!!

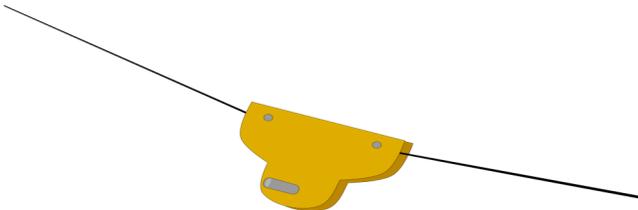

The Village Council is thrilled to have been successful in its bid for lottery funding and funding of £8,500 has now been received for the installation of a zip wire in the Paddock.

The Council has held site visits and chosen to go with Kompan Playgrounds and has chosen a suitable zip wire and booked its installation – it will take a few weeks to receive it and get it all done.

The Council is continuing to look to provide more facilities for the older youngsters who use the Park, and as well as the zip wire, is looking to provide other equipment, especially all inclusive equipment which can be used by wheelchair and other restricted-access users.

(we can only accept original designs please)

All entries should have your name, address, age and contact number on and as well as seeing your winning design on the front cover there will be a £50 voucher prize!!!

HUMBERSTON HAPPENING NEWS

LAST NIGHT OF THE PROMS – 2021

After a one year's enforced absence, Humberston's big night out returns this year on **SATURDAY 30TH. OCTOBER**. The ever popular LAST NIGHT OF THE PROMS CONCERT will be back with a BANG or, in view of the proximity to HALLOWEEN, maybe a SCREAM !

There will be no TRICKS, but you can be sure that Musical Director **Ewan Robson** and the **Lincolnshire Hospitals' Band** will be CONJURING up an abundance of melodious TREATS. We are told that the musicians are already in rehearsal for what will be their first performance since the lockdown in March last year. They intend to blow the COBWEBS away with another musical SPOOKTACULAR containing a varied mix of items to suit all tastes, and played with their customary style and flair. .

We are delighted to welcome back our star vocalist from 2019, Felicity Turner. As well as leading the singing for the Proms finale, Felicity

gave us a stunning rendition of "The Writings on the Wall" from the James Bond film "Spectre". Who knows how she is planning to raise our SPIRITS again this year ?

As always, the venue for this must-see Concert will be the excellent Starlight Suite at the **Beachcomber Entertainment Centre**, North Sea Lane, Humberston. Music commences at 7.30 PM and doors and bars will open from 6 Pm onwards.

In recent years tickets have sold out before the event, so it is a good idea to get yours as early as possible to avoid disappointment. If you have been before we will be delighted to welcome you once again. If you haven't, why not come along this year to this unique community, charity event. We can promise you a great night out with a popular musical extravaganza and a rousing, patriotic Proms finale.

All proceeds from the Concert are donated to the Humberston Park Special School, Hydrotherapy Pool Appeal, a very deserving local charity. The Humberston Happening Committee, the Hydrotherapy Pool Appeal organisation, the Lincolnshire Hospitals Band and Beachcomber all treat this as a truly charity event. Every penny raised goes to help the very special children of Humberston Park School, who derive such wonderful benefits by using the Pool

The Starlight Suite at the Beachcomber offers safe, secure and comfortable tabled seating, excellent viewing and acoustics, a well-stocked bar and car parking. Tickets, which are fully refundable in the event of an enforced cancellation, are only £ 10 with flags, party-poppers and table treats thrown in for good measure. They are already available by phoning Trevor on 812543 or Enid on 814147, by e-mail to proms@humberstonhappening.com, the Beachcomber Entertainment Centre Reception Office in North Sea Lane or Hough's Coaches in Middlethorpe Road, Cleethorpes. It just couldn't be easier.

Did you know
there are over
600 Sheds open
in the UK?

Over 14,472 men
are benefitting
directly from
being involved!

About Men's Sheds

They are community spaces for men to connect, converse and create. The activities are often like those, of garden sheds, but for groups of men to enjoy together. They help reduce loneliness and isolation, but most importantly, they are fun!

To find out more about Men in Sheds and how you can get involved, HWRA invites you to join us at one of our information events which we are holding in your locality.

Or for further information prior to the event contact Carole Johnson carole.johnson@hwrc.org.uk Tel: 07983479362 or to book a place contact Julie Cook Email: julie.cook@hwrc.org.uk Tel: 01652 637700.

HWRA is funded by the Lottery Community Fund to facilitate the development of Men's Sheds in Northern Lincolnshire.
