Rainbows, Brownies and Guides

During the last term rainbows, brownies and guides all enjoyed time celebrating the Queen's Platinum Jubilee. Many were awarded their region challenge badge alongside gaining badges for work on the programme. Two brownies gained their Bronze awards and will now be working towards their silver. Katie, the Young Leader at Guides also completed and was awarded her Young Leader's Qualification. Congratulations to everyone.

After the summer break we will all be welcoming new girls into our sections. 5 brownies have moved onto Guides. The rainbows and brownies will be inviting some girls on our waiting lists to join. Again our plea comes out to adults who would like the opportunity to have fun and enjoy the experiences of guiding alongside sharing or gaining leadership skills.

We are now welcoming girls from the age of 4-7 into rainbow units, brownies 7-10 and guides 10-14. Both girl and adult enquiries are always welcome, whatever the age. If you find the evenings in Humberston do not fit in but you or your daughter fancy a new, fun packed adventure go to www.girlguiding.org.uk and register your interest. Here you can enter your postcode and this will bring up the units available, days and times. Once you have enquired the unit leader will be informed by email and will contact you. To speak to a local leader please call Theresa Barker on 01472 879928.

HUMBERSTON VILLAGE COUNCIL— COUNCIL NOTES

Meetings are now held on the first Tuesday of each month and take place in the meeting room at the old Wendover Hall. There is occasionally a mid-month meeting for planning, but not always, so please check on our website each week.

Highways/Footpaths/Traffic Issues

The Village Council meets every quarter with NELC to discuss highways matters and also works closely with Ward Cllrs. to assist with any issues which may arise. The VC isn't responsible for enforcement for parking issues though, that is NELC Civil Parking Enforcement Team. Residents should note that enforcement does take place at weekends and the Officers do work on Saturdays and Sundays.

Wendover Hall and Wendover Paddock Hall

Halls remain extremely busy, especially with birthday parties etc. Anyone wishing to book the Hall should contact the Clerk, Kathy Peers, on 07494-5776661.

We have been running the holiday club, free of charge for youngsters to attend, every Friday in the Padodck.

This has been provided in collaboration with LC Fitness and refreshments provided by the Village Council. We have had over 60 children for one session which has been very well received.

Planning

The Village Council continues to receive consultation on many planning applications for Humberston and these are discussed at the Village Council main monthly meetings and also at an interim Planning Committee Meeting held mid-way through the month.

Residents are most welcome to attend and make the Village Council aware of any issues with planning. All Planning Agendas and Minutes are all on the Village Council website.

Finance

The Council has successfully gone through its internal audit which it is required to have each year and has now submitted all of its financial information for external audit with PKF Littlejohn who are the internal auditors for the Village Council.

All the financial information relating to the audit is available on the Village Council's website at

www.humberstonvillagecouncil.com

Tickets for this event are always in great demand so it is a good idea to get yours as early as possible to avoid disappointment. If you have been before we will be delighted to welcome you once again. If you haven't, why not come along this year to this unique community, charity event. We can promise you all a great night out with a popular musical extravaganza and a traditionally rousing, patriotic Proms finale.

All proceeds from the Concert are donated to the Humberston Park Special School, Hydrotherapy Pool Appeal, a very deserving local charity. The Humberston Happening Committee, the Hydrotherapy Pool Appeal organisation, the Lincolnshire Hospitals Band, Cleethorpes Pearl and Felicity Turner all treat this as a truly charity event. Every penny raised goes to help the very special children of Humberston Park School, who derive such wonderful benefits by using the Pool

The **Starlight Suite** at the **Cleethorpes Pearl** offers comfortable tabled seating, excellent viewing and acoustics, a well-stocked bar and car parking. Tickets are only £ 10 with flags and party-poppers provided. They are now available by phoning Trevor on 812543 or Enid on 814147, by e-mail to proms@humberstonhappening.com or by calling in at **The Gingerbread House, Church Lane, Humberston** (and maybe having a coffee and more whilst you are there), **the Cleethorpes Taphouse and Kitchen at the Discovery Centre, Cleethorpes, the Cleethorpes Pearl Entertainment Centre Reception Office in North Sea Lane or Hough's Coaches in Middlethorpe Road, Cleethorpes**. It just couldn't be easier and your support will always be appreciated.

HUMBERSTON HAPPENING UPDATE

LAST NIGHT OF THE PROMS – 2022

HUMBERSTON'S BIG NIGHT OUT happens this year on **SATURDAY 22ND. OCTOBER 2022**. The venue for our ever popular **LAST NIGHT OF THE PROMS CONCERT** will once again be the excellent **STARLIGHT SUITE** at the **THE CLEETHORPES PEARL** (formerly The Beachcomber) Entertainment Centre, North Sea Lane, Humberston. Music commences at 7.30 Pm and doors and bars will open from 6 Pm onwards.

As before, the Concert will be performed by the talented and very entertaining **LINCOLNSHIRE HOSPITALS' BAND**, the only Band in the country with a direct connection to the NHS. What will be different will be their entirely new programme, although no doubt it will contain a varied mix of music to suit all tastes, played with their customary style and flair.

We have had our ear to the rehearsal room door and can let you into a secret about what the Band may have in their locker for us (but don't tell them we told you!). High on the likely playlist are "Pirates of the Caribbean", "Daniel", "Under the Boardwalk" and "Little Brown Jug which should be enough to create an exciting musical splash, floating along **with various other pieces with a "sea" theme**. Whilst this may not be the sort of music normally associated with Brass Bands, the unique **LINCOLNSHIRE HOSPITALS' BAND** can play absolutely anything at all, and usually do. Prepare yourself for a surprise or two on the night!

Once again we are delighted to welcome back, for a third time, our amazingly talented vocalist **FELICITY TURNER**. Who could forget last year's stunning renditions of "In Flanders Fields" and "Diamonds Are Forever". No doubt she will have something equally memorable up her sleeve to perform for us this year, before leading the singing of the usual Proms favourites "Rule Britannia", "Land of Hope and Glory", "Jerusalem" and "You'll Never Walk Alone".

Parish Council notes continued....

Land Management

The Village Council's Centenary Green project has been very well received and the new benches and new notice board are now in place. One of the benches has been kindly sponsored by a resident as a memorial bench.

A big thank you to Lovelles, Humberston who are helping look after the flower bed and carrying out watering etc. for us. They are sponsoring the flower bed and will be helping with future planting etc.

One thing I learned since joining the council is that things don't happen overnight which frustrates me a little but there's some good people on the council that will try to make things happen faster than what they used to.

The council we have done some amazing things since 2019 one of the things that stands out to me is the way recycling is so much better now than what it was, proper bins and now we're also taking part in the food waste trial, which I am involved with at my house, and it works very well and so I guess that in time to come, that will be rolled out to everybody else within the borough, it's a good thing that we're not putting everything into the ground like we used to years ago.

I was very fortunate in May of this year to become the communities scrutiny panel chair, it was an honor so far to take part in enforcement days in top town in Grimsby, and also to take part in a multi Agency event aimed at and to try and eradicate the rogue traders, which seems to have gone down very well, I want to help make the whole borough a safer place not only for the residents of Humberston, but everybody young and old if there's anything you think would be a good idea for the area then please feel free to mention it to the parish council or to contact one of us below.

I won't touch on the pandemic as I think we have all had enough of this, we need to get back to normality as quickly as possible.

Ward Councillor Notes

Well summer is truly upon us as one day it's 41°, and the next day 14°, this is a typical British summer day, but hey I wouldn't change a thing. I don't know about you but i could not enjoy the summer without cooler days too.

This is my first time of writing ward councillor notes for Humberston ward, and a lot has happened in the last three months, Firstly the jubilee, we had a great street party and the local residents all joined in and it was a fantastic event and I am now looking for the next excuse for another one. Street party's were enjoyed across the borough, and it was an honor to Celebrate the queens platinum jubilee.

Since my election back in May 2021 I have taken part in a steep learning curve, that is steeper than anyone could've imagined, as a normal member of the public I just wanted to help firsthand make my ward where I live a better place, and things are happening slowly.

This week I saw the fantastic job the parish council had done at the roundabout at North Sea Lane and Church Avenue, new benches, notice-board and the lovely planter are a true credit to the parish council and i thank them most sincerely.

On council matters there's a lot happening locally as you will have read, however I must say that not everything that is reported is reported in the right way, however when you read this, the purchase of Freshney place will have taken place, it is now it is in the ownership of North east lincolnshire council.

Some of you may question why we need to buy a shopping centre, well we could not risk it falling into the wrong hands, some investors just looking to milk it for every penny and run it into the ground, we need to get our town centre back to a place that's people want to visit, along with the bus interchange and links to the railway station i am very excited about the future, and that gives us control over what happens in the top town redevelopment.

Our church is used on a regular basis to serve the community for regular services, baptisms and weddings. We work hard to try and maintain it to a high standard but extra pairs of hands would be useful. Many hands make light work so the saying goes. We would love to see you and would be very very grateful for any help you can give.

Genesis 1 1-5

In the beginning God created the heavens and the earth. The earth was without form and void; and darkness was on the face of the deep. And the Spirit of God was hovering over the face of the waters. Then God said, Let there be light and there was light. And God saw the light, that it was good; and God divided the light from the darkness. God called the light Day and the darkness he called Night. So the evening and the morning were the first day. Then God said Let there be a firmament in the midst of the waters and let it divide the waters from the waters. Thus God made the firmament, and divided the waters which were under the firmament from the waters which were above the firmament and it was so. And God called the firmament Heaven. So the evening and morning were the second day. Then God said. Let the waters under the heavens be gathered together into one place and let the dry land appear; and it was so. And God called the dry land Earth, and the gathering together of the waters He called Seas. And God saw that it was good.

St.Peter's Parish Church, Humberston

Greetings from St Peter's Church

With all the extreme weather just lately, it makes us think more about caring for our planet. We know so much more now about how to do this and I think our youngsters are leading the way.

In 1722 our present church was reopened for public worship after a length of time of wholly decay and having fallen down to the ground the church was unfit for religious worship and was finally rebuilt in 1720-21. In 1722 the rebuilding was complete and the Bishop of Lincoln presented the first vicar for 170 years. Along with this 2022 marks the 10th anniversary year of the reopening of the church after extensive internal repairs following the devastating fire that destroyed much of the west end of the church. To mark both these events we are hoping to have a Songs of Praise Service on 2nd October to celebrate. Please check our noticeboard and Facebook for updates on this event.

Don't forget our Pop-In morning on the 2nd Thursday in the month. Just come for a chat and a cuppa between 10.00 and 12.00.

The Services up to October are as follows:

14th August.	Service of the Word
21st August.	Communion
28th August.	Communion
4th September.	Morning Prayer
11th September.	Communion
18th September.	Morning Prayer
25th September.	Communion
2nd October.	Dedication Festival
9th October.	Harvest TBC

All services commence at
11.00 am

We are having a Church Cleaning and Maintenance day on 8th October between 10.00 and 12.00.

Humberston Centenary Green Project

The Village Council has now completed the flower bed and this is being sponsored by Lovelles, Humberston. They are helping with watering and will be sponsoring replanting later this year.

The two benches are now in place and one has been sponsored locally as a memorial bench. The other has been provided by the Village Council. These were made for us specially by Hodson and Kauss at Stallingborough and use recycled materials.

A new Village Notice Board has now also been put in place and this is where we will put agendas for meetings etc. along with events information.

A big thank you to Ward Cllrs who have made a donation of Ward funding to help with this project.

WENDOVER PADDOCK

Playground Improvements:

The new fully inclusive-use roundabout has now been installed to replace the old unit . This is a fully inclusive piece of equipment which will take wheelchairs and already it is being well enjoyed!

Big thank you to Kompan for their works on our behalf. The Village Council has an ongoing commitment to improving facilities in the Paddock and is budgeting each year for either new equipment or improvement works to existing facilities.

Allotment News

The allotment association, HAHA, has been taking part in a charitable donation scheme whereby members leave produce which HAHA then donates to a local foodbank. What a wonderful initiative this is and a big thank you to all those allotment tenants who have donated—below is a picture from St Peters Food bank of all the produce donated—this is an ongoing scheme so congratulations to everyone!

When they laid it all out at the food bank it looked like harvest festival.

Anyone wanting to go on our waiting list should ring the Clerk to the Council on 07494 577661 or email us at clerk@humberstonvillagecouncil.com

We are fortunate to have a fantastic Executive Committee, who work very hard behind the scenes, to ensure the safe running of all sections and making decisions to ensure that as a group we continue to thrive. We had hoped to become part of the first Squirrel cohort in Spring 2022. Squirrels are Scouts most recent and youngest members at 4-6yrs of age, however despite our efforts, we were unable to recruit any volunteers, and so we made the difficult decision to delay Squirrels at 1st New Waltham Scout Group. There are 2 Squirrel sections already up and running in the district, and all of our Squirrels on our want to join list, have been offered alternative places.

We currently have over 90 members at 1st New Waltham across all sections, which as a Group Scout Leader, is just fantastic to see. Some of our members have moved onto their next journey in Scouting, and so we look forward to welcoming new members next term, who have been waiting patiently on our want to join list, some of whom we know have been waiting much longer than we would have liked.

Along with increasing the number of young people in our section, comes the need for more volunteers. Aside from the feel-good factor, there are many positives to volunteering, such as meeting new friends, sharing your skills and knowledge, helping to build confidence of our youngest members of the community and if you are looking to develop your own skills and confidence, this could benefit both yourself, and your CV. If you are looking for a new challenge or just looking to try out something different, then we might just have what you are looking for. Why not try out our [4-Week Challenge](#) there is no obligation, but we do promise that you will have lots of fun!

For more information about our community focused group, please email

Scouting in your community

My name is Kayley and I am the Group Scout Leader (GSL) AT 1st New Waltham Scout Group. We meet at Cherry Garth in Humberston, our group covers a wide catchment area and so we have young people attending from many different communities, which we think is just great for our young people to make new friends.

July 2022 saw our first ever 'Cherry-Jam Camp', in which our beavers, cubs and scouts all joined forces, in experiencing what it is like to camp outdoors, and put all of their fantastic skills to great use. We enjoyed climbing, archery, assault course, pioneering and lots of team working challenges. We have received some great feedback from our members, which is always nice to hear. We hope to make this joint camp, a bi-annual event.

Since April 2021, we have in some sections found it necessary to close our 'want to join lists' this is due to the volume of waiting members already on our list. We receive many joining enquiries, however it is now the case that we have invoked our policy to prioritise spaces for new enquiries, to those who have a parent/carer who is willing to volunteer at section meetings, on a weekly bases, in a formal role. We have many roles, from Section Assistant, to Assistant Section Leader, and Section Leader. All of the roles are flexible, from a time commitment perspective. I do know that invoking this policy has been disappointing news to some of our new enquiries, however 1st New Waltham have been operating with only 3 leaders, across all sections, since April 2021. It is only due to their desire, commitment and passion for scouting, that 1st New Waltham Scout Group, has continued to meet, thrive and grow in numbers.

More information about our group and the activities that we take part in, can be found on our Facebook Page. [1st New Waltham Scouts](#)

REMEMBRANCE POPPIES

The Village Council has joined with the Royal British Legion to organise the sale of lamp-post poppies for Humberston Village.

You may have seen these throughout other towns and villages and Humberston Village Council wants to promote the sale of the poppies to be put on display within the village with proceeds going straight to the Poppy Appeal.

We have obtained 200 poppies from the British Legion and we are selling them for £5 each, with no profit made by the Village Council and all proceeds going direct to the Poppy Appeal.

The poppies can be tie wrapped (tie wrap provided!) to lampposts outside of your home or to gates, driveway gates etc.

We hope we can sell all of the poppies and see Humberston Village proudly displaying them throughout November to mark Remembrance season.

Humberston Cemetery News and Information

Details for the Cemetery are on our website at www.humberstonvillagecouncil.com but if you have any questions on purchasing a plot or organising an interment of ashes or a burial, then do please contact the Clerk, Kathy, on 07494 577661 and we will help you with any information you may need.

There is a two-tier fee system in place for the Cemetery with Humberston residents paying reduced fees. Non-residents are most welcome to reserve plots in the Cemetery, but anyone who does not have a Humberston postcode will have to pay the higher fees.

Cemetery Improvements:

The Village Council has contracted NELC/EQUANS to carry out some path resurfacing and this will hopefully have been carried out by the time of publication of this Newsletter.

Also, additional tree planting has been taking place and a special tidy up of the cremated remains plots has also been undertaken.

The original window in the Cemetery Shelter has also been repaired using traditional methods to ensure that the leaded window features are preserved. A big thank you to Traditional Joinery of Cleethorpes for doing this for us.

POLITE REMINDER:

Can we please remind everyone that Wendover Paddock is a dog-free zone.
