Now the nights are lighter we are all making the most of the outside space and celebrating the Platinum Jubilee.

Our sections are available for girls and young women aged 5-14. We are always looking and would welcome adult volunteers to expand our leadership teams and especially for our rainbow unit. Our younger sections have increased in numbers since returning and leaders who already run units are covering the rainbow unit. It would be so welcoming to be able to know that we can keep this unit running in the future with new leaders before our current volunteers run out of steam.

Both girl and adult enquiries are always welcome. If you find the evenings in Humberston do not fit in but you or your daughter fancy a new, fun packed adventure go to www.girlguiding.org.uk and register your interest. Here you can enter your postcode and this will bring up the units available, days and times. Once you have enquired the unit leader will be informed by email and will contact you. To speak to a local leader please call Theresa Barker on 01472 879928.

Rainbows, Brownies and Guides

Last term the rainbows and brownies were busy working on the programme with both sections planting sunflower seeds. Whilst the rainbows planted them for Mother's Day gifts, the brownies planted them to earn their Grow Your Own interest badge. Many pictures are now appearing on our WhatsApp group to show us the final stage of the badge that the brownies know plant care.

Over the next few weeks both sections are working towards our region's Platinum Jubilee badge. The girls have had to do 70 of something which resulted in them doing 70 star jumps. The rainbows did 2 sets of 35 whilst Brown Owl made the brownies do 70 in one go. They are collecting coins and at their jubilee party will aim to make a large 70 and then donate the monies to Battersea Dogs Home, one of the Queen's Patronages. The girls are learning about The Queens' life in Guiding from the moment the 1st Buckingham Palace Brownie Pack and Guide Company began in June 1937 to which both The Queen and Princess Margaret became members. The Queen remains our Patron today. Alongside this we are doing crafts, making edible beacons and planning our jubilee party.

Guides have been making the most of the facilities in the hall with opportunities to bake and celebrate Shrove Tuesday. We have been working on our Skills for Life badge learning amongst other things about different life hacks and using tools.

HUMBERSTON VILLAGE COUNCIL— COUNCIL NOTES

Meetings have been held regularly on the first and third Wednesdays of each month up to this Newsletter, but from mid-May the meeting night will change to a Tuesday night at 7.00 pm. It will be the first Tuesday of the month as the main VC meeting and if required for planning purposes, a mid-month meeting would then be held on the third calendar Tuesday of the month, however please check our FB page for confirmation of mid-month meeting dates.

Highways/Footpaths/Traffic Issues

The Village Council meets every quarter with NELC to discuss highways matters and also works closely with Ward Cllrs. to assist with any issues which may arise. The VC isn't responsible for enforcement for parking issues though, that is NELC Civil Parking Enforcement Team.

Wendover Hall and Wendover Paddock Hall

Halls remain extremely busy, especially with birthday parties etc. Anyone wishing to book the Hall should contact the Clerk, Kathy Peers, on 07494-5776661.

Meeting Improvements

The Council now has wi-fi at the Halls and this is now being used for Council meetings. A projector is also now being used for planning consultations and for displaying the agenda at the meeting. This fits with the Council's green agenda to cut down on paper usage. Wifi is available for hall users on request and covers both Halls.

Planning

The Village Council continues to receive consultation on many planning applications for Humberston and these are discussed at the Village Council main monthly meetings and also at an interim Planning Committee Meeting held mid-way through the month.

Residents are most welcome to attend and make the Village Council aware of any issues with planning. All Planning Agendas and Minutes are all on the Village Council website.

Finance

The Council is now commencing its audit regime for the fy 21/22.

safely with Covid-19' highlights just that, how we live with Covid going forward.

If you have Covid-19 symptoms or a respiratory infection, have a high temperature or feel unwell you should try to stay at home and avoid contact with others. Vaccination and face coverings in crowded, enclosed spaces are still advised. Opening windows, meeting outside in the open and basic hand hygiene all help to reduce the risk of catching or spreading Covid-19.

As we look back on the pandemic and the periods of lockdown, I feel a sense of pride that NELC and the employees ensured our services continued with minimal interruption. For example the bins emptied, pot holes filled, weeds sprayed and the grass cut.

Council Tax energy rebate

As I write, people in households in council tax bands A –D who paid their council tax by direct debit in April will have received the £150 energy rebate in their bank accounts. Council tax payers in council tax bands A –D who did not pay their council tax by direct debit in April will receive a letter informing them of the rebate process. Please be **aware** of scams. NELC will not contact people over the phone to ask for bank details.

Contacting Ward Councillors

Please do not hesitate to contact your ward councilors. It is true that we do not hold a surgery but we do attend the Humberston Village Council meetings on the first Wednesday of each month. Our phone numbers are also readily available. Sometimes we receive resident issues through a third party and this obviously results in a delay in responding to the issue.

Ward Councillor Notes

The NELC Council Elections are over for the year 2022 and the political parties can look forward to doing it all again next year. This is because NELC electoral system elects one third of the local councillors every year for 3 years and hold no elections in the 4th year.

Cllr Stephen Harness was re-elected to serve Humberston and New Waltham once again and the Conservative administration remains in control of the council.

The election campaigning process did acutely identify to us the increase in the numbers of properties and residents in our ward due to the numerous building developments that are building out. The ward was already geographically large, but within that geography we now number almost 10,000 residents.

We apologise that we were not able to talk to residents as much as we would have liked on the campaign trail but the logistics of the leaflet drop and the postal voters letter were time consuming, with many miles walked. This left little time to do anything else apart from walk and post. We also devoted time to do the same in other wards.

Queen's Platinum Jubilee

Congratulations to her Majesty for achieving 70 years as our monarch. As I understand it there will be a four-day bank holiday weekend from Thursday 2nd June to Sunday 5th June 2022, meaning Brits will be given time off work to celebrate the Queen's 70 years of service. I am sure we will all reflect on the reign of our most loved Queen Elizabeth II at our street parties and celebrations.

Land Management

The Village Council continues to look after its sites which include the Cemetery, the Allotment Site, Wendover Paddock, Strang Walk and Postman's Walk and the land off Humberston Avenue on the site of Carrington Gardens and Westleigh Homes.

The Council is busy planting extra trees and organising the Centenary Green Project to mark the 100 years of the Council.

Peter's Sermon; the Coming of the Holy Spirit

When the Day of Pentecost had fully come, they were all with one accord in one place.

And suddenly there came a sound from heaven, as of a rushing mighty wind, and it filled the whole house where they were sitting. Then there appeared to them divided tongues, as of fire, and one sat on each of them. And they were all filled with the Holy Spirit and began to speak with other tongues, as the Spirit gave them utterance.

And there were dwelling in Jerusalem Jews, devout men from every nation under heaven. And when this sound occurred, the multitude came together, and were confused, because everyone heard them speak in his own language.

St.Peter's Parish Church, Humberston

Greetings from St Peter's Church

I think we are all looking forward to a lovely summer so we can enjoy the warmth on our skin and save on the heating bills Summer brings its own beauty with all the bright colours in our gardens and parks.

There were some lovely services at the Church over Easter. All were very well attended and enjoyed. There was an Agape Service on Maundy Thursday, representing the Last Supper. Stations of the Cross on Good Friday. Pictures of the crucifixion were out around the Church and Vestry for prayers and readings. Saturday was for the Children with a trail around the Churchyard and Vestry This included making butterflies and doves to hang near the lychgate, painting pebbles and sowing sunflower seeds. (Could have done with a few more children.) Ending with drinks and sweets. On the Easter Sunday we had beautiful flower arrangements in the Church and a joyous Service. The proceeds from this weekend were all donated to the Ukraine Red Cross.

Now we can meet together again we are trying to get together for coffee and chats. There will be a monthly Pop In on the 2nd Thursday of every month commencing on 12th May 10.00 until 12.00. We are hoping this will be somewhere for everyone to come and have a chat and a cuppa. You can even bring your knitting if you like.

The central image is a circular photograph of a smiling man with a beard, wearing a dark jacket over a plaid shirt, standing next to an older woman with short dark hair, wearing a dark jacket and a colorful patterned scarf. They appear to be in a well-lit indoor space, possibly a community center or office. Below the image, the text 'Lend a hand. Change a life.' is written in a large, bold, dark blue font. Underneath this, in a smaller blue font, it says 'We are recruiting'. Further down, it says 'For more information, please contact' in a smaller blue font. Humberston Centenary Green Project

The Village Council has commenced works on the Centenary Green and a flower bed has been built which will soon be completed and planted up. Planning permission has been applied for which covers the provision of a new Village Notice Board and also a flagpole should the Council decide it would like to have one installed. The existing bench will be revamped.

The site is in the green area, currently with one bench on it, which is on the Humberston side of the roundabout at the junction of North Sea Lane and Church Avenue, on the opposite side of the road to Mc Colls and Lovelle's and the entrance to the Country Park.

A big thank you to Ward Cllrs who have made a donation of Ward funding to help with this project.

Humberston Cemetery News and Information

Details for the Cemetery are on our website at www.humberstonvillagecouncil.com but if you have any questions on purchasing a plot or organising an interment of ashes or a burial, then do please contact the Clerk, Kathy, on 07494 577661 and we will help you with any information you may need.

Cemetery Improvements:

Two of the pathways in the new extension part of the cemetery will be replaced during June and July. The paths will be dug out and resurfaced and works would usually take approximately one week.

Notices will be put up at the Cemetery when dates for the works are confirmed.

Visitors to the Cemetery should note that contractors do work on site at the Cemetery for grass cutting, memorial removal and fitting etc.

Dogs
LOVE Cleethorpes

Look after the BEACH
Cleethorpes has an award-winning beach, let's keep it that way. Dogs are banned from the main beach from Good Friday to 30 September.

Look after WILDLIFE
Cleethorpes is Internationally important for wading birds. Keep dogs under control and stay on the main footpaths so you don't disturb the wildlife.

Look after yourself and your DOG
Cleethorpes has fast incoming tides. Leave sand banks six hours before high tide. Stay away from the mud.

Give your canine companion the best time in the resort.
