Humberston Parish Council - Parish Council Notes

The last meetings of the Parish Council were held at the old Wendover Hall, in the meeting room. Meetings were held in December 2019, with a planning meeting also needing to be held just before the Christmas Break, January 2020 and February 2020—with January seeing a special mid-month planning and budget meeting to set the budget and precept for the coming financial year for Humberston Village.

Highways/Footpaths/Traffic Issues

The consultation over the proposed TRO for Humberston has now been done and the Parish Council had a meeting schedule for early March to discuss the feedback and outcomes with NELC and the next phase of action. Other highways issues included the consideration of an extra waste bin for Stephen Crescent and an approach is being made to NELC to see if an extra one could be provided.

Wendover Hall and Wendover Paddock Hall

Both Halls continue to be extremely busy and the coming financial year will see a programme of works for both halls, with complete redecoration throughout in the Paddock Hall and a refurbishment of the toilet facilities at old Wendover Hall. The new windows are now in place in the Old Hall which completes the project started during 2019.

Planning

The Parish Council continues to receive consultation on many planning applications for Humberston and these are discussed at the Parish Council main monthly meetings and also at an interim Planning Committee Meeting held mid-way through the month.

Residents are most welcome to attend and make the Parish Council aware of any issues with planning. All Planning Agendas and Minutes are all on the Parish Council website.

Events

The Parish Council has its upcoming VE day event on Friday 8th May, has fixed its Summer Event for Saturday 18th July and its Christmas Event for Saturday 5th December 2020. Details will follow as usual in detail before each event.

Tuesday 19th May 2020	7.15	Planning/mid-month meeting

Residents and visitors are warmly welcomed at our meetings and there is a 'public session' held at the Chairman's discretion, for members of the public to be able to speak on issues before the Council.

Any resident wishing to place an item for discussion on the Parish Council Meeting Agenda should make sure it is sent to the Clerk, Kathy Peers, at least one week before the meeting, ie it should be with the Clerk by the Tuesday before each main monthly meeting or we cannot guarantee it will be placed on the Agenda.

How you can help

Your local Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area in which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and also step up our patrols in the area.

If you feel that there are other issues affecting you or your local community that should be given priority, please inform your local councillors or your Neighbourhood Policing Team.

The number to call for non-emergency issues is 101

The named officers for the Humberston and New Waltham Ward will be:

GRAFFITI CLASSICS at The Beachcomber

How about this for something different ? The Humberston Happening are organising a Concert by Graffiti Classics at The Beachcomber on Friday 27th. March 2020 starting at 7.30 Pm and it is a concert not to be missed.

Who are Graffiti Classics ? You may never have heard of them but, once you have seen and heard them, you certainly won't forget them. There are "16 strings, 8 dancing feet and 4 voices with just 1 aim; to make classical music wickedly funny and fantastically exhilarating for everyone, young and old. Graffiti Classics bursts the elitist boundaries of the traditional String Quartet with it's hilarious all-singing, all-dancing musical comedy show."

It will be a classical concert, a gypsy-folk romp, an opera, a stand-up comedy set and a brilliant dance show all rolled into one ! There will be something for everyone and Graffiti Classics never fail to get audiences laughing, clapping and singing along. Kids and adults alike love the uplifting and virtuosic variety of music styles, all tied together with cheeky audience interaction.

The group has performed in major theatres across the UK, Malaysia, Vietnam, Sweden, Germany, Holland, Estonia, USA, Norway, Italy, Greece, Denmark and Ireland. They have played for Presidents and Royalty and now they are coming to Humberston to play just for you.

Tickets are just £ 10 each and are available from the Cleethorpes Tourist Information, The Beachcomber Entertainments Centre, by phone to 812543 or 814147 or by email to tickets@humberstonhappening.com.

As with all Humberston Happening events, all proceeds will be donated to local charity.

Ward Councillor Notes

Ward Councillor Notes Jan 2020

Wishing everybody a belated Happy New Year.

The run up to Christmas proved to be a very busy time for your ward councillors because we had the unusual event of a General Election in December as you are all aware. The previous December General Election was on the 7th December 1923 won by the Labour Party. Campaigning at this time of the year is not to be recommended but your ward councillors were active in both the Cleethorpes and Grimsby campaigns, walking many miles, meeting many people and supporting the election of two Conservative Members of Parliament to represent Cleethorpes and Grimsby in what turned out to be a resounding Conservative General Election victory.

The result aside, our prime responsibility remains to respond to resident issues within our ward and represent all of the electorate.

One issue that was resolved late in 2019 was the installation of a Toucan Crossing on the northern leg of the Toll Bar roundabout. NELC installed the traffic light-controlled crossing after the brakes were applied to a £2.1million plan to scrap the roundabout entirely and erect traffic lights. The Toucan Crossing is performing well. Although not in Humberston, the Toucan Crossing being in New Waltham, the issue does illustrate the determination of the ward councillors to support and listen to the residents. Cllr John Fenty displayed his usual tenacity throughout this issue, ably supported by Cllr Shreeve, and of course myself, Cllr Stephen Harness.

Planning

There are no new major planning applications to report. However we are closely following the progress of the Cyden Homes planning application for 225 properties on the land east of Midfield Road and working with both the developer and residents to resolve certain issues such as highway concerns. This planning application will eventually be considered by the NELC Planning Committee due to the sheer number of resident objections to the development recorded on the NELC Planning Portal.

Ward Councillor Notes continued.....

Footpath and Verge Parking TRO

Ward Councillors are actively supporting the Humberston Parish Council as the Footpath and Verge Parking TRO approaches becoming a reality for Humberston. The parish have identified the highways that they wish to exempt from the TRO and a resident consultation process has been processed by NELC.

Not related to the TRO but of great importance are the other parking issues that are to be resolved. These include the future parking regime for the public car park adjacent to the 'Gingerbread', parking issues on the highways adjacent to the Gingerbread and St Christopher's Road at school times, especially in the afternoon. As we all know parking issues are very difficult to resolve without receiving the wrath of either resident or motorist. I therefore urge the latter to demonstrate the upmost consideration for residents when parking near to our schools.

Crime. Humberston and New Waltham remains a very desirable ward to live in with a low level of crime. However residents should remain vigilant and report any suspicious activity immediately. Our local police team of PC Dave Cave and PCSO Scott continue to do a magnificent job and deserve our full support to make Humberston an even better place to live.

Flooding Sadly two Humberston Fitties chalets flooded as a result of the heavy rainfall event before Christmas, and two is two, too many. Keeping the waterways clear within the Humberston Fitties requires ongoing attention.

The highway flooding in Grimsby Road close to the North Sea Lane/Church Avenue/Grimsby Road roundabout has been identified as root growth in the local drains. Hopefully this to be resolved by the NELC Drainage Team who have promised remedial work.

Finally we are here to respond to you.

HUMBERSTON LIONS CLUB

We have had another successful Christmas this year with many fund raising activities and made donations to some very grateful people. We sold out of our Advent Calendar at 1600 sales, again an increase on the previous year. There are more and more people buying into it every year, which is wonderful for us and our ability to help those in our community who need it. The Supermarket collections by our Santa Sleigh raised a magnificent £3,333 that we used to buy, and then have delivered, around 60 food parcels to needy families and individuals through the McMillan Nurses and NELC Social Services plus a few who we knew of directly. Chocolate Selection Boxes were delivered by our Santa to Weelsby Street School and we made a significant donation to the Grimsby Food Kitchen to provide for the homeless of Grimsby over Xmas.

One of the highlights of the season was being asked to bring our Santa Sleigh along to the Humberston Green for the switching on of the Xmas Tree Lights. All seemed to enjoy it and our Santa then joined everyone in Wendover Hall to hand out goody bags to the children. Incidentally, we took the surplus goody bags that the Parish Council had bought for the evening to a very grateful Weelsby School to be shared with the pupils.

Our next planned event is a Lunch at the Grimsby Golf Club on 22 May when the after lunch speaker will be Tricia Stewart, one of the original Calendar Girls of the Yorkshire WI who made that famous calendar back in 1999. It should be a good do and we believe the tickets will go quickly so if you are interested please contact us via either contact details below.

Humberston Litter Picker

The Parish Council is now employing a dedicated litter picker/
general operative for Humberston Village.

The member of staff will be on duty litter picking, helping out
with any road signs which need attention or cleaning and doing
some gritting in bad weather on land which the Parish Council
has responsibility for.

If you spot any excessive amounts of litter building up at a par-
ticular location in the Village, do report it to us by email to :

clerk@humberstonparishcouncil.com

Or call us on

07494 577661

And we will send our operative out to deal with it.

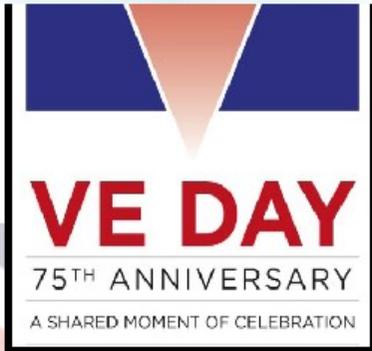

We can only cover light litter, paper, plastic bottles etc. but if
you see any larger scale items which would be classed as fly-
tipping, then do report these either to us or to the local author-
ity on 01472-313131 so that this can be sorted out.

St. Peter's Parish Church, Humberston

Do I have to believe in God to go to church?

In church services we worship God through prayers and hymns. We offer God our hopes and fears in prayers and silence. We listen to what God might be saying to us in bible readings and sermons. And in services of Holy Communion we share bread and wine to remember Jesus's death and resurrection. After the Sunday service at St Peter's at 11am we serve refreshments so people can meet each other informally.

Each one of us is different, made by God. People get together to do this because we can encourage each other in our journey through life and because in a Christian church we believe that Jesus shows us what God is really like and how God wants us to live.

People come to church for lots of different reasons. Some of us have a lifetime of faith; some of us have more questions than answers. In church we encourage each other, open to the questions of life and faith that we have and the gifts or blessings that God wants to give us.

Everyone is welcome at St Peter's whether you have a lot of faith or a lot of questions. You can find out more of what's going on at St Peter's church by following us on Facebook or checking out our notice board which we try to keep up to date.

You are very welcome to any of our services. Special services coming up are:

Rainbows, Brownies and Guides

The Rainbows, Brownies and Guides still meet weekly in Humberston to have fun and adventure.

Our six themes of our programme enable the girls to earn exciting new badges and awards whilst gaining skills for life. This term the brownies are learning how to deal with an emergency, how to respond and put a casualty in the recovery position. Our programme is challenging, exciting and appealing for the oldest girls to the youngest.

Alongside our unit meetings we have adventures and fundraising. March will see the girls and leaders join with members from Cleethorpes to take part in a sponsor Zumbathon. In April 10 of the brownies are heading to Rand Farm for a Sleepover. We are hoping to have a great day out for all sections during the summer.

Rainbows, Brownies and Guides are available for girls age 5-14 but adults can be involved to. We would love to share our experiences, fun and friendship with both adults and girls in the village of Humberston. If you would like more information or to register your daughter please go to www.girlguiding.org.uk or contact Theresa Barker 01472 879928.
