**Making the Council easier to deal with**

Another piece of work I'm particularly involved in is something residents may not see immediately, but hopefully will notice in the future. We are currently working on a revamp of the Council's online portal for residents, businesses and councillors. Most people don't contact the Council because they particularly want to deal with a council. They contact us because they need something done, want to report a problem, need information or are trying to access a service. Our digital services therefore need to be straightforward and easy to use. Finding the right information or reporting something shouldn't feel more complicated than the problem you were trying to solve in the first place. There is more work to do, but I hope we can make interacting with the Council online simpler and more useful for residents and businesses.

**My Cabinet role**

Alongside representing Humberston and New Waltham, I also serve as the Council's Cabinet Member for Finance, Resources and Assets. That means I have responsibility for areas including the Council's finances and the resources and assets it holds on behalf of our communities.

Finally, thank you to everyone who has stopped to speak to me, contacted me about an issue or invited me to come and see a problem for myself. Please continue to get in touch. I can't promise that every problem will have an easy answer, but I can promise that I will listen, investigate and do what I can to make sure your concerns are heard.

These problems are not always straightforward, and the Council cannot solve them alone. Effective action can involve several organisations working together, but I will continue to make sure concerns raised with me are heard and followed up.

**Planning**

Planning applications understandably generate a great deal of local interest, particularly when residents are concerned about how a proposed development might affect their neighbourhood. Traffic and the pressure on our local roads are also issues regularly raised by residents.

I've visited a number of sites subject to planning applications so that I can get a first-hand understanding of the location and the issues residents are raising.

**The future of North East Lincolnshire**

One significant development since the last newsletter has been the Government's decision that North East Lincolnshire should remain a unitary council as part of Local Government Reorganisation.

There had been considerable uncertainty about whether North East Lincolnshire might become part of a much larger council covering a wider area. The proposal put forward locally was for North East Lincolnshire to remain as it is, and importantly, that position received unanimous cross-party support from councillors. The Government has now confirmed its intention for North East Lincolnshire to remain a unitary authority from 2028. There is still work ahead as local government arrangements change across Greater Lincolnshire, but retaining a council focused specifically on North East Lincolnshire means decisions about our communities can continue to be made as locally as possible.

## HUMBERSTON VILLAGE COUNCIL— COUNCIL NOTES

Meetings are held on the first Tuesday of each month and then a Planning Meeting on the 3rd Tuesday. If there are any applications to consider. Meetings are held in the Queen Elizabeth Hall and agendas are published 6 days before on our website.

***Highways/Footpaths/Traffic Issues***

NELC is doing some slurry sealing and pavement works at various locations within the Village over August and September.

***Planning***

The Village Council continues to receive consultation on many planning applications for Humberston and these are discussed at the Village Council main monthly meetings and also at an interim Planning Committee Meeting held mid-way through the month.

Residents are most welcome to attend and make the Village Council aware of any issues with planning. All Planning Agendas and Minutes are all on the Village Council website. The minutes show the Village Council's observations and comments on each application it considered.

***Wendover Paddock and Halls***

The Village Halls continue to be very busy with both regular week-day hirings and clubs etc. and then at weekends with private hires for parties etc.

***Finance***

The Council is currently undergoing its annual audit and has already had its internal audit. The external audit procedures are now being carried out and all paperwork is published, as is required, on our website. There has been a period of public inspection for the accounts and again all this information is on our website.

All the information is on our website. Financial documents are available

**THE ANNUAL REPORT FOR THE YEAR 25/26 HAS NOW BEEN PUBLISHED AND IS ON OUR WEBSITE**

## Ward Councillor Notes

I hope everyone has had an enjoyable summer.

Since being elected, one of the things I have been determined to do is spend as much time as possible out in the ward, listening to residents and seeing issues first-hand rather than trying to understand everything from behind a desk.

Over the last few months, that has taken me to residents' homes, local roads, areas affected by roadworks, schools and sites where planning applications have generated local interest.

Sometimes there is an immediate solution to a problem and, unfortunately, sometimes there isn't. But I believe that when residents raise an issue with me, wherever possible I should go and see it for myself, understand the problem and make sure their concerns reach the right people.

**Out and about in the ward**

Parking has been one of the issues raised with me, including around our schools. I have visited locations myself to see what happens at the busiest times and to better understand the concerns of residents, parents and the wider community.

I've also been out looking at roadworks and the disruption they can cause. Roadworks are sometimes unavoidable, but that doesn't make sitting in the resulting traffic any less frustrating!

Where I can, I've tried to keep residents informed through my Facebook updates, particularly where works have wider implications for people travelling through the area.

Anti-social behaviour has also featured in my casework. I've visited and corresponded with a number of residents affected by ASB and raised their concerns with the relevant partner agencies.

## WALK WELL GROUP

## St.Peter's Parish Church, Humberston

I can't believe that as I write this the nights are drawing in and we are moving towards autumn. Rev Claire is currently enjoying her well-earned break in Ireland. It's hard to believe that come 2nd September she will have been our Parish Priest for a year. Where does time go?

We continue to hold a morning service each Sunday. The 1st and 3rd Sundays are Morning Prayer with hymns whilst the 2nd and 4th are Holy Communion. All the services start at 11am and are followed with refreshments. Everyone is welcome to join us. Our doors are always open to families, young people and anyone who wishes to explore and grow their faith.

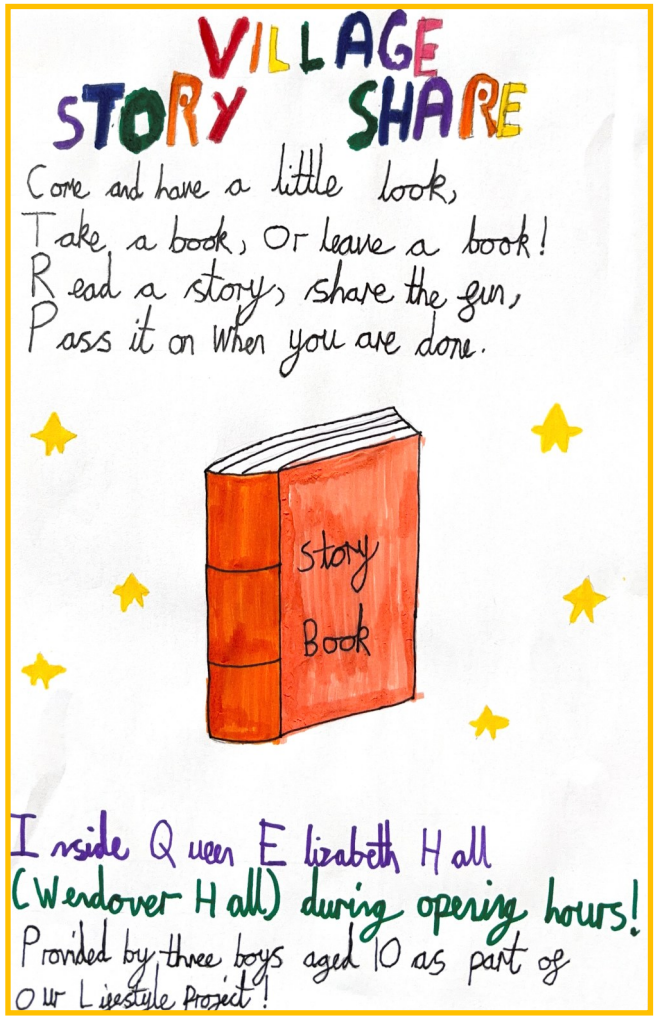

Over the next couple of weeks our doors will be opening for our uniform days. We would like to take this opportunity to say thank you to those who have donated items and to our volunteers who have given their time to help make these days possible. We are here to help our local and wider community in any way we can.

Moving onto Autumn we will be celebrating harvest time. We will be holding our harvest supper and having our Harvest Festival Service.

This year we are planning to hold a Christmas Tree Festival in church. If you belong to a community group or know of a group who would like to decorate a tree to be displayed in the church, we would love to hear from them.

There is a small bookcase in the foyer at the Queen Elizabeth Hall, Humberston which has been put there by the Lifestyle Group as shown above. This is a free, casual lending facility for use when the Hall is open. Please use it and support this initiative.

## Rainbows, Brownies, and Guides

Last week saw our International Guide and Scout Camp, “Poacher 2026”, at the Lincolnshire Showground. Humberston Guides and Rangers took part in an unforgettable week of adventurous activities.

Our Rainbows and Brownies ended the term with parties. The rainbows celebrating girls moving onto brownies and the brownies just celebrating the end of term. The evening’s included games, ice pops and ice creams which seemed to have become part of the hot summer meetings! We also presented badges to both sections along with our second rainbows bronze award and our first brownie bronze award.

Guiding offers a unique girl only experience and is open to anyone aged 4 onwards. From the age of 4-7 the girls can join our rainbow units, brownies 7-10 and guides 10-14. Places are available and we would love to welcome new girls. http://www.girlguiding.org.uk/get-involved/
Adult volunteers are also needed to help us create new opportunities for the girls and to ensure the future of the units which have been in the village for over 50 years. It would be sad to see them disappear.
